DAILY HOPE

We are writing to tell you about **DAILY HOPE**, a new project from the Church of England, designed for use during the Coronavirus lockdown.

We are all missing church including meeting together, hearing God's words and singing our favourite hymns.

Now you can dial **DAILY HOPE** on your phone each day and hear some well-loved hymns, some words of reflection and some prayers.

The calls are free so it won't add anything to your phone bill.

Just dial **DAILY HOPE** on **0800 804 8044**

We hope you enjoy **Daily Hope**
